

Sophia Reed

Nursing Student | Supervised Student Opportunity

sophia.reed@example.com | (906) 555-0103 | Marquette, MI 49855

PROFILE

Nursing student with supervised clinical learning, community nutrition volunteering, and coursework in health assessment and evidence-based care. Communicates clearly, follows instructions, and protects confidential information. Interested in a supervised student opportunity that builds patient support and teamwork skills.

EDUCATION

Northern Michigan University

August 2023 – Expected May 2027

Bachelor of Science in Nursing | GPA: 3.68 / 4.00 | Marquette, MI

- Relevant coursework: Health assessment, nursing fundamentals, evidence-based practice, population health

SUPERVISED LEARNING & WORK EXPERIENCE

Nursing student — supervised clinical learning

January 2026 – April 2026

UP Health System — Marquette | Marquette, MI

- Observed patient assessment and care planning with an assigned instructor and clinical team.
- Practiced structured handover and documentation within the student role; submitted work for instructor review.
- Prepared materials and reinforced approved patient education under supervision.

Community nutrition volunteer

September 2025 – December 2025

Community Action Alger–Marquette | Marquette, MI

- Assisted staff with organizing meal-service materials and welcoming participants.
- Communicated requests to the program coordinator and followed food-service and confidentiality instructions.

CLINICAL LEARNING & ACADEMIC PROJECTS

Patient Education Guide

January 2026 – April 2026

NMU coursework · Student author

- Prepared a plain-language handout for a simulated discharge scenario using course-approved evidence.
- Revised wording and layout after peer feedback and checked references with the instructor.

Simulated Care Plan

September 2025 – December 2025

NMU coursework · Team member

- Developed goals and a handover outline for a classroom case, identifying concerns requiring escalation.

SKILLS

Student practice: Supervised documentation, patient communication, structured handover

Learning: Evidence searching, simulated care planning, teamwork

Tools: Word, PowerPoint, Excel, academic library databases

COMMUNITY SERVICE & STUDENT INVOLVEMENT

Peer study volunteer

May 2026 – August 2026

Northern Michigan University | Marquette, MI

- Organized revision materials and helped classmates prepare for supervised skills practice.
